Reason for this Will

I gave these gifts to Toshiko Tsunashima, because she along with her husband, Takehiro Tsunashima, promised to do their best for the prosperity of the Miyano group, centering Miyano, Inc. It, however, is regrettable that they never fulfilled their promise despite the fact they had vowed to do so in writing.

I have given her many assets such as land, cash and stocks as indicated in the Chapter 2 of this testamentary document, yet no appreciation was shown by Toshiko Tsunashima and Takehiro Tsunashima. Moreover, Takehiro has not at all been sincere.

This behavior betrays the mottos – ‘sincerity’, ‘hard work’, ‘sharing’, and ‘humbleness’ – that the founder the late Toshimori Miyano lived by and was paramount with regard to the company, Miyano, Inc.

The benefactor laments the fact all the hardships, which she had suffered during the many years after the founder’s death was in vain.

For this reason, the benefactor decided to create this will.

This copy of the testamentary document was created based on the original at the Town Office on the 20th day of May, 1998.
